Killarney National Park

Renowned as the "Jewel of Kerry", Killarney National Park is the largest native forest remaining in Ireland.

It is home to the famous 19th century mansion Muckross House & Gardens, Torc Waterfall, The Lakes of Killarney, and the magnificent Ross Castle.

The park's rugged landscape stretches 25,000 acres, encompassing Ireland's highest mountain range, the MacGillycuddy Reeks and the natural beauty of this area is truly unmatched.

The elegant gardens surrounding The Muckross Park Hotel provide couples with privacy and space, which all combine to make the venue a treasured space for you and your guests to celebrate in style.

The Medieval Atrium has access to a private garden which is beautifully lit with a fairy light walkway and garden seating for your guests to relax.

A beautiful hideaway with pristine greenery, tucked away out of sight for you and your guests to enjoy. Located beside the Atrium, this is a versatile outdoor space, ideal for every occasion, theme, or weather. Perfect for ceremonies, champagne receptions or summer celebrations.

Your Wedding Style

Our impressive choice of luxurious suites and dramatic spaces, both inside and out, are yours to frame your day. It is not the scale that matters, it is the occasion; and you can trust that every wedding celebrated at Muckross Park Hotel is a very special occasion.

The Medieval Atrium

ENCHANTING AND TIMELESS

With its own private entrance, The Medieval Atrium is the perfect location for an elegant arrival. Used as a backdrop for both pre-wedding receptions and intimate weddings, the Medieval Atrium is an enchanting space. "The food was delicious and everyone had a great day."

We recently had our wedding ceremony and reception at Muckross Park Hotel. The venue itself is beautiful, and was just the perfect location for us. The staff were amazing as well! Every member of the team at the hotel was so helpful and friendly, but I have to say a special thank you to Orla and Niall, who just made the day extra special! Our day ran so smoothly, the food was delicious and everyone had a great day. If you're considering Muckross Park Hotel for your wedding I would highly recommend booking with them."

CAROLYN & TOMMY O'DONNELL

"Everything exceeded our expectations from start to finish."

We choose Muckross Park Hotel because we've always felt a special connection to the hotel. Orla, Niall and Madina were all absolutely amazing. Orla did a fantastic job of organising everything and reassuring us during a very challenging time. She thought of everything, and was a dream to work with. Niall was an absolute pleasure to deal with, he went above and beyond, and all of our guests' dietary requirements were met. The food and service were impeccable.

In essence, I couldn't recommend Muckross Park Hotel enough as a wedding destination. Orla and the team take care of everything, so you get to sit back and enjoy your big day."

KATE AND EÓIN TALLON

"We are bursting with pride with the experience our guests received."

We had our wedding reception in the Muckross Park Hotel on the 31st December. If anybody is looking for a luxurious wedding venue, in a stunning location, with exceptional food and top-class staff then look no further. We were blown away by the professionalism of everyone working in the hotel. The lead up to our wedding was challenging given changes to government guidelines and new restrictions but the Muckross Park went above and beyond their call of duty. The enthusiasm and kindness they showed us for our day with weddings back-to-back all week was incredible. If there were 10 stars, we would give them. We are bursting with pride with the experience our guests received. If you have your wedding here, it will be one of the best decisions you ever make. Thank you again to everyone, especially Orla, Niall and Caroline. It is a pleasure to work with people so excellent at what they do.

SIOBHAN & ANTHONY LYNES

"I just wish we could do it all over again."

We got married in October, and it was the most enjoyable experience from start to finish. The service is unbeatable. Orla is so approachable, and no question or request is too big or too small. Orla is there to make your day special and she makes sure you get what you want. People are still talking about how excellent the service was. The food was beautiful and no glass was left empty. I cannot recommend Muckross Park Hotel enough for a wedding. I just wish we could do it all over again.

DENISE AND MICHAEL FITZGERALD

"They really became invested in making our wedding special."

Muckross Park Hotel provided us with the five star wedding that we always wanted. From the food to the decor to the amazing setting, it was a dream from start to finish, even with the rain. Niall and Orla's attention to detail was second to none. From the beginning of our wedding planning process to the review chats after the big day, they really became invested in making our wedding special. The food was amazing and our guests are still talking about it two weeks later. Serving such a range of foods to such a large crowd at weddings can be a challenge, one which they and Scott, the chef, definitely rose to.
